Far too many law enforcement agencies struggle with bulky, outdated video management equipment that isn't designed to do the job required. This hodge-podge approach to video management results in challenges with upload times, burn times, and transferring video from equipment to evidence management.

Interview Room solution is specifically designed to improve and simplify how you retrieve and manage your videos. It allows officers to focus on solving the case with confidence, knowing their chain of evidence is in good hands. With L3 Mobile-Vision's Interview Room solution, nothing goes undocumented. Our complete end-to-end solution provides high-quality video capturing that will stand up in a court of law.

If you're ready to build a solid case seamlessly and fluidly, then our Digital Evidence Management System is the solution for you. From Patrol to Lock Up, L3 Mobile Vision can help you

**capture the evidence... and the truth.**

**DVR**

**Covert**

**Non-Covert**

The L3 Mobile-Vision interview room solution is the only video management system you will ever need. It seamlessly integrates with our cameras or third-party cameras! As the agency evolves, our Interview Room solution can grow with you.
